Tender Notice

Sealed Tender bids are invited from reputed / authorized supplier/ manufacturer for Supply, Installation and Commissioning of 125kva Diesel Generator Set at Gujarat Power Engineering & Research Institute, Mevad, Mehsana, Gujarat, India, so as to reach the undersigned at the address given below latest by the date and time specified here in below.

Tender No.	Particular	EMD(Rs.)
GPERI/ADMIN/ Diesel Generator /2018/001	Supply , Installation and Commissioning of 125kva Diesel Generator Set	Rs. 10,000/-

Bid documents containing complete Details, Specifications, Terms and Conditions etc can be downloaded from the GPERI website <http://www.gperi.ac.in>. The download tender Document (PDF Format) comprises:

- Part – I : Technical Specifications (Schedule-‘A’)
Part – II : Commercial Terms & Conditions

The Technical Bids so received, shall be opened, on the date and time specified below at the Gujarat Power Engineering & Research Institute, Mevad, Mehsana, Gujarat, India in the presence of the bidders or their authorized representatives those wish to be present.

The Financial bids of only eligible Tender (s) shall be opened. The date and time of opening the financial bids shall be announced on our website (www.gperi.ac.in) after scrutiny of the Technical bids.

Important Dates:

Last date and time for Submission of Bid	8 th May, 2018 up to 4:00 pm at Institute
Opening of Technical Bid	9 th May, 2018 at 11:00 am at Institute

Important Instructions:

1. The offer shall be submitted on downloaded tender document only
 2. The Main envelope should contain following four envelopes duly sealed.
 - (a) EMD Envelope : This should contain Demand Draft (D.D) for EMD document In favour of “Gujarat Power Engineering & Research Institute” payable at Mehsana.
 - (b) Technical Bid : Schedule- ‘A’
 - (c) General Commercial Terms & Conditions
 - (d) Price Bid : (Schedule ‘B’) should contain only Price Bid.
- All the four envelopes should be super scribed with tender No., date of opening and Name of the bidder.
3. Offer without EMD is liable to be rejected forthwith.
 4. The Tender, duly completed, should be sent to Purchase Officer (On given below address) **by RPAD or Speed Post** (Hand Delivery is not acceptable) so as to reach latest by the date and time Specified here in above. Tender received after the due date and time shall be rejected Irrespective of delay due to postal service or any other reasons.
 5. Any technical query, information clarification pertaining to this tender may be referred to Purchase Officer, Gujarat Power Engineering & Research Institute, village: Mevad, Ta & Di Mehsana, Mehsana-382710,Gujarat, India OR **purchase@gperi.ac.in** (email ID) Ph No. **9276892833**.

Note:- GPERI reserves all the right to reject any OR all tenders without assigning any reason.

Address for tender submission/-

Purchase Officer,

Gujarat Power Engineering & Research Institute,

Nr. Toll Booth, Ahmedabad - Mehsana Express Highway,

Village: Mevad, Ta & Di: Mehsana-382710, Gujarat, India

PART-I

SCHEDULE-'A'

Technical specifications for 125kva Diesel Generator Set

Sr No	Parameter	Specification
1	Prime Rating at rated rpm (as per ISO8528)	125 kVA
		100 kW
2	Frequency	50 Hz
3	Power factor	0.8 lagging
4	Voltage	415(3Ø) V
5	Excitation	Self-excited and self-regulated
6	Fuel	Diesel
7	Start	Electric Start,
8	Exhaust Silencer	Residential Type Silencer
9	Warranty	All-inclusive warranty of 12 months.
10	Documents	All manuals for operation and maintenance of the DG set must be provided.
11	Standards	Alternator and Generator and other items used in the DG set should conform to IS standards.
12	Installation	Vendor must quote for installation, Earthing and commissioning of the DG set at the site.
13	Environment protection	The DG set must meet all environment protection rules & regulations of Govt. of India in respect of noise and emission norms.
14	Battery & Battery Charger	As per standard requirement
15	Type of acoustic enclosure	Rectangular cubicle in shape, weather proof outdoor duty type with integrated residential type silencer, built by Original Engine Manufacturer and factory integrated
16	Sound level with Acoustic Enclosure	75 dB at a distance of 1 metre as per ISO 8528/3744 standard
17	Fuel tank	Totally Integrated to the acoustic enclosure with minimum 8 hrs. of operation on 75% load with fuel level indicator on or inside acoustic enclosure.

Sr. No	Parameter / Specification
	<u>CONTROL PANEL</u>
1	Integrated inside the acoustic enclosure and fully accessible on opening the door of the acoustic enclosure.
2	Digital LCD display for all engine, battery, fuel & alternator parameters
3	Engine & alternator monitoring & safety system with additional safety controls like high oil temperature trip, high water temperature trip etc
4	Current transformer (CT) of suitable class & ratio (3 nos.)
5	Electronic Energy Meter
6	Ammeter, Volt meter, Frequency meter
7	LED Indicators for 'DG ON', 'Load ON'
8	3 Phase Line Voltage Monitoring facility (LVM)
9	MCB & RCCB as per standard requirements
10	Control wiring and power wiring up to MCB with a laminated copy of wiring diagram fixed inside the control panel

Suggested Brand:-Koel, Cummins, Ashok Leyland, Kirlosker

PART-II

GENERAL COMMERCIAL TERMS AND CONDITIONS

DEFINITIONS:

- Tenderer/Supplier/Bidder: These terms are synonyms and mean the firm which intends or which has submitted offer in response to this tender.
- Tender / Bid Document: means this tender document.
- GPERI: Gujarat Power Engineering & Research Institute having its office at Mevad Village, Mehsana-382710, Gujarat, India and includes its successors and assignee.

1. The tenderer should thoroughly read all the clauses of the tender document before submitting the duly filled in Tender.

Tenderer shall place the following ANNEXURES as FIRST SEVEN pages of their Technical Bid in the following sequence.

FIRST PAGE	ANNEXURE - 1
SECOND PAGE	ANNEXURE - 2
THIRD PAGE	ANNEXURE - 3
FOURTH PAGE	ANNEXURE - 4
FIFTH PAGE	ANNEXURE - 5
SIXTH PAGE	ANNEXURE - 6
SEVENTH PAGE	ANNEXURE - 7

2. SUBMISSION OF BID DOCUMENT:

GPERI follows two bid systems. Tenderer shall submit two separate bids viz.

- a) Techno – Commercial Bid (Technical Bid) and
- b) Price Bid as under.

(a) Technical Bid: This shall be in sealed envelope. It shall be super scribed shall contain the following

Technical Bid:	Tender No.	Name of Bidder:
-----------------------	-------------------	------------------------

- (i) Seven pages as mentioned in condition 1 above and

TENDERERS SHOULD FURNISH THE FOLLOWING DETAILS:

- [1] Technical Specifications (Part-I) and General Term & Conditions (Part -II) of Tender Document Duly Sign on each page by Authorized Signatory as token of his acceptance.
- [2] Company Registration Details
- [3] Authorisation Certificate from Manufacturer.
- [4] Pan Card Details
- [5] List of customers
- [6] Audited Accounts of last three years of the firm.
- [7] GST Registration details
- [7] Details, Documents, Literature, Certificates etc. for the equipment / Material offered.

(b) Price Bid: This shall be in sealed envelope.

It shall contain offer price in the form specified in the tender document as Schedule-‘B’. The Printed Price list or price in different format will render the offer liable for rejection.

It shall be super -scribed as:

Technical Bid:	Tender No.	Name of Bidder:
-----------------------	-------------------	------------------------

- (c) EMD Envelope:** This envelop shall contain the following: Demand draft In favour of “Gujarat Power Engineering & Research Institute” payable at Mehsana for EMD Supporting document, as mentioned hereof, if bidder seeks exemption in EMD

It shall be super - scribed as:

EMD Envelop:	Tender No.:	Name of Bidder:
---------------------	--------------------	------------------------

- (d) Main Envelope:** This envelope shall contain envelop of Technical bid, Envelop of EMD and Price Bid. It shall be super - scribed as :

Main Envelop:	Tender No.:	Name of Bidder:
----------------------	--------------------	------------------------

The entire bid document (Main envelope mentioned above) should be submitted so as to reach this office not later than 04.00 P.M. on due Date as specified in the tender notice through RPAD or Speed post.

Incomplete bids and amendments and additions to bids after opening of the bids will be ignored. The purchase committee of GPERI shall evaluate the techno-commercial view of the tender.

GPERI reserves the right to open or not to open the price bid of the bidders on the basis of their past performance of their supplied materials. This decision will be done at the sole discretion of GPERI only.

The price bid of those who are techno-commercially qualified shall only be opened.

3. PRICE EVALUATION:

No price preference shall be given on any account. All tenders will be evaluated on firm price end-cost basis for each item; the parties however shall give the detailed break-up of the end cost. If GPERI feels that there is lack of serious competition or for any other reasons, GPERI may negotiate with the L-1 party for each item. GPERI's decision to accept any or all tenders shall be final and binding on all the parties.

4. EARNEST MONEY DEPOSIT: (E.M.D.)

Bidders are required to submit Earnest Money Deposit amount of Rs. 10,000/- with their bids. The EMD is payable by Demand Draft, of any Nationalized Banks, drawn in favour of the Gujarat Power Engineering & Research Institute payable at Mehsana.

5. DELAYED AND LATE TENDERS:

No Tender shall be accepted / opened in any case which are received after due date and time of the receipt of tender irrespective of delay due to postal services or any other reasons and GPERI shall not assume any responsibility for late receipt of tender. Any correspondence in this matter will not be entertained.

6. PRICES:

The details of the price shall be given in Price Bid (Schedule-B) only and nowhere else. Prices quoted shall be FIRM and on F.O.R. Destination basis (i.e. GPERI, Mevad, Mehsana). However, the tenderer should indicate in the Price Bid, the break-up of Unit F.O.R. Destination Prices with break-up of Unit Ex-works price, GST, average freight, packing charges, Insurance Charges, Installation and commissioning Charges. Tenderer should quote the Freight as well as Insurance Charges both separately as shown in price bid.

The tenderer should invariably indicate the total unit end cost price considering all their costs / calculations in the Price bid itself for each item and all sub-items if any. This is mandatory. Cost components hidden / furnished elsewhere will not be considered and will be ignored outrightly.

Only for Traders - Tender:

- [i] In case of a trader-tender, if the quotation is furnished for all inclusive rates and the rates of taxes and duties are indicated without indicating the amount, in such cases, the price is eligible for statutory variation.
- [ii] Where the trader-tender quotes all inclusive rates without indicating the rate of Taxes and Duties included in the quoted price, the price is not eligible for any statutory variation.

7. REFUND / FORFIETURE OF E.M.D

EMD will be forfeited if (i) the tender, it covers, is withdrawn during the validity of the offer or (ii) the tenderer fails to furnish / deposit the Performance Guarantee towards Execution Period (security deposit).

EMD of the unsuccessful tenderers will be returned without intimation within 60 days of placing of the order to the successful tenderer subject to the unsuccessful bidder returning the original receipt of the EMD together with the advance stamped receipt, to the Administrative Officer of GPERI.

EMD will be returned to the successful bidders, only on their submission of performance guarantee towards execution period against order released to them.

8. PERFORMANCE GUARANTEE (PG) TOWARDS EXECUTION PERIOD: (i.e. SECURITY DEPOSIT):

Successful tenderer will be required to pay an amount equivalent to 10% (Ten) of the value of the work order as Performance Guarantee (Security Deposit) within 10 days from the date of the work order failing which the work order is liable to be cancelled at the cost and the risk of the successful tenderer (at the sole discretion of GPERI).

It can be paid by Demand Draft drawn in favour of Gujarat Power Engineering & Research Institute payable at Mehsana or in the form of Bank Guarantee from Nationalized Bank if the amount is more than Rs.35,000/-.

The Bank Guarantee will be executed on the standard form prescribed by GPERI as page no.16.

The Bank Guarantee so furnished should have clear one time validity till the completion of the order in all respects. Bank Guarantee for Interim period will not be acceptable. If by any

reasons the supply period is extended then the supplier shall undertake to renew the Bank Guarantee at least one month before the expiry of the validity failing which GPERI will be free to encash the same.

The successful bidder/s shall have also to furnish PG (as specified here of) for the contract value towards warranty / guarantee period separately as applicable as per tender conditions.

Performance Guarantee towards Execution Period (Security Deposit) will be returned on successful completion of the Order and only after the Performance Guarantee towards warranty/guarantee, as mentioned above, is submitted.

9. VALIDITY OF THE OFFERS:

The offers shall to be kept valid for a period of 120 days from the date of opening of technical bids. In case the finalization of the tender is likely to be delayed, the tenderers will be asked to extend the same without change in the prices or any terms and conditions of the offer. If any change is made, original or during the extended validity period, the offers will be liable for outright rejection without entering into further correspondence in this regard and no reference will also be made.

10. TRUCK RECEIPT (T.R) / AIRWAY BILL (A.B)

All the Goods should be dispatched freight paid and the A.B / T.R should be forwarded directly to GPERI Office at Mevad Village, Mehsana. The demurrage charges, if any, paid by the GPERI due to delay in informing GPERI or any other reason attributable to supplier, will be deducted from his bill. It is essential that packing notes and invoices are furnished in respect of every consignment.

The supplier will be responsible for any damages / shortage claim rejected by the respective Authorities for want of a clear A.B / T.R.

Materials may be dispatched by any convenient mode of transport and up to GPERI i.e. F.O.R Destination.

11. PACKING AND FORWARDING CHARGES:

The prices shall be inclusive of packing & forwarding charges. The Materials should be strongly and adequately packed to ensure safe arrival at destination. The materials dispatched from overseas by Air / Shipping should be packed such that it can withstand rough handling and possible corrosion due to exposure to salt laden atmosphere, salt spray or open storage. All packing must be clearly marked with order Number and consignee's name and address.

12. TRANSIT INSURANCE:

All the materials shall be supplied up to Destination against all transit risks, such as damage, loss, theft, fire, etc. The insurance period shall cover 15 days after the date of receipt of materials at site to enable GPERI to check up stores fully. The suppliers will be responsible for free replacement of such stores which have been received short, damaged or broken within 15 days.

The cost of damaged, defective stores materials will however be deducted from the bills of the suppliers and will be refunded only after replacement thereof. It will be the responsibility of the supplier to lodge claim against the insurance on receiving necessary advice from GPERI.

13. ACCEPTANCE OF STORES:

The equipments/ materials to be supplied against this tender are subject to their acceptance by GPERI or any other Officer deputed for this purpose.

14. UNLOADING:

Unless specified otherwise in the purchase order, unloading of the materials shall be arranged by the vendor at particular location of institute.

15. STATUTORY VARIATION:

Any statutory increase or decrease in the taxes and duties subsequent to the offer under this tender if it takes place within the original contractual delivery date will be to GPERI account subject to the claim being supported by documentary evidence. No increase due to such variation shall be allowed for the portion of the delivery after the original contractual delivery date. However, if any decrease takes place after the contractual delivery date, the advantage will have to be passed on to **GPERI**.

16. PAYMENT TERMS:

- a) 50% (fifty percent) of the Order Price shall be paid after receiving of D.G Set and all materials.
- b) 25% (twenty five percent) of the Order Price for supply shall be paid on successful completion of installation and commissioning of D.G Set and all equipments, and inspection of system from the authorized personnel from GPERI.
- c) Of the remaining 25% (twenty five percent) will be paid after two months from the date of commissioning of D.G Set and all equipments and against submission of performance bank guarantee (10% of contract value); such bank guarantee will be retained by GPERI after completion of warranty period.

17. REPEAT/ADDITIONAL ORDERS:

GPERI reserves the right to place repeat order / additional order on the successful tenderer up to 25% of the original quantity of the W.O at the same prices, terms and conditions stipulated in the original contract during three months from the date of Work Order.

18. WORK COMPLETION PERIOD: Within four weeks from the date of work order.

19. **Scope of Work:** Supply and Installation of 125 kVA 3 phase Silent Diesel Generator Set at GPERI. The work includes loading and unloading, transportation and erection, construction of concrete foundation, extension of silencer portion to the desired height, its thermal insulation and cladding, testing and commissioning including getting approval from GSECL.
20. **PENALTY FOR LATE COMPLETION OF WORK:**
In case the Tenderer fails to complete the work within the time period specified in the work order/ contract with GPERI, a sum equivalent to 0.5% of the total contract value shall be deducted for every week of delay, subject to a maximum deduction of 10% of the contract value.
21. D.G Set shall be able to bear 10 percent overload for a period of one hour during any 12 hour period while operating continuously at full rated load.
22. The electronic control panel shall be provided with vibration isolation pads and should be accessible from outside with transparent acrylic sheet for viewing the various meters.
23. All accessories included in the standard set shall be got from manufacturers as a part of equipment.
24. Proper Earthing & Safety should be provided.
25. **Tooling:** The supplier should quote standard tools package offered with the Machine. Also quote **SEPARATELY** for all the optional tools.
26. **Painting:-** All equipment shall be suitably cleaned, painted and protected against corrosion and damage.
27. **List of Manuals:-**The standard 2 sets of manuals with diagrams (Electrical& Electronics,) and documents must be supplied along with the D.G. Set
28. **MACHINE INSPECTION:-**The D.G. Set would be tested as per the standardised test chart at party premises.
29. The vendor will be responsible for any damage/loss or theft caused to the equipment/ property of GPERI during the work.
30. The vendor must visit the Site before quoting, and acquaint themselves. Absence of any comments on this count shall be taken as acceptance of the Site conditions and as a confirmation of adequacy of space available for installation and air flow.

31. During the term of warranty/guarantee the service/repair calls will have to be attended by the Supplier within twenty four hours from the time of such calls. The defective card/item/equipment should be repaired the same day at Purchaser's location. In case of major defects requiring the defective card/item/equipment to be taken to the Supplier's workshop, it should be returned within a week duly repaired and an immediate substitute card/item/equipment will be provided by the Supplier for the smooth operation of the System. The to and fro transportation of the card/item/equipment will be the responsibility of Supplier.

32. If the performance of any individual equipment or System fails to meet the contract specifications then the same shall be replaced by the Supplier free of cost during the term of the warranty/guarantee period.

33. EXTENSIONS IN CONTRACTUAL DELIVERY DATE:

It will be supplier's responsibility to ensure that goods are delivered within the stipulated delivery period. However, if GPERI may consider extension of delivery period with or without statutory variations, for the reasons beyond the control of the tenderer and subject to the Penalty as mention hereof.

Such extension will be subject to the following conditions.

- [a] No increase in price on account of any statutory increase in or fresh imposition of customs duty, excise duty, sales tax or on account of any other tax or duty shall be admissible on the material delivered after the original contractual delivery date.
- [b] Notwithstanding any stipulation in the contract for increase in price on any other ground, no such increase which has become effective on or after the contractual delivery date shall be admissible on material delivered after the original contractual delivery date.
- [c] Nevertheless, GPERI shall be entitled to the benefit of any decrease in price on account of reduction in or remission of customs duty, excise duty, sales tax or on account of any other tax or duty or on any other ground as stipulated in the P.O., which takes place on or after the contractual delivery date of the said P.O. for the material delivered after the original contractual delivery date.

34. POST TENDER CORRESPONDENCE / ENQUIRIES:

The tenderer will be refraining from pursuing / canvassing the matter, directly or indirectly with any Office of GPERI as otherwise the same would amount to disqualification of the tender.

35. GPERI shall have the right to make any changes, additions / deletions or modifications in any terms / conditions or quantity of the tender and / or specifications as may be deemed necessary by GPERI at its sole discretion at any time before the due date of opening of the tender.
36. GPERI does not accept the printed conditions of any tenderer. It will be ignored without any reference; hence tenderer should withdraw such printed conditions if they have any. GPERI shall accept only unconditional tender.
37. If technical deviations furnished by the tenderer are not agreeable to GPERI, the offers may be ignored. However it will be solely at discretion of GPERI to consider the technical deviations OR not for considering the tenderer. No correspondences of the tenderer will be entertained in this matter.
38. Final decision of the acceptance of the quotation rests with the competent authority of GPERI, who may or may not accept the lowest bid. GPERI reserves the right to accept or reject the bid without assigning any reason at any time.
40. Please indicate whether the goods offered are first sale or second sale so as to determine the payment of GST.
41. Revision of prices or any commercial terms affecting the price after opening of technical bids shall not be considered and will be ignored.
42. Tenderer shall indicate the name of their partners of their manufacturing firm along with authority letter/certificate.
43. Tenderer should specifically mention in the offers the name of the Partners / Proprietor / Directors who is / are the signing authority.
44. **GUARANTEE:**
- If the goods, stores and equipments found defective due to bad design or workmanship the same should be repaired or replaced by the tenderer free of charge if **reported within 18 months of their receipt at site or 12 months from the date of commissioning** of equipments whichever is earlier. Tenderer will be responsible for the proper performance of the equipments / materials for the respective guarantee period. During the guaranty period, if vendor should be failure to replace the equipment within one week, that institute has deducted the amount of particular equipment.
45. The vendor should carry an onsite **comprehensive warranty/guarantee** of Diesel Generator Set(s) for a period of at least 12 (twelve) months

46. APPROVAL:

The goods shall be subject to the approval of GPERI after receipt of the Material at site.

47. GPERI would prefer the offers from manufacturers directly. All the manufacturers should quote for those items, which are actually manufactured at / rolled by their plants. This should be strictly adhered.

48. If in any company, the interest of any employee of the GPERI. or his relative as defined in Section VI of the Company's Act. 1956, is 10% or more, GPERI will not deal with such company at all. Tenderer therefore, must specifically disclose this fact in his technical Bid. Non-disclosure of such facts would disqualify the tenderer for further dealing with GPERI.

49. TERMINATION OF CONTRACT:

In case, the supplier fails to deliver the stores / materials / equipments or any consignment thereof within contractual period of delivery or in case the stores are found

Not in accordance with prescribed specification and/or the approved sample, GPERI shall exercise its discretionary power as under:

[a] To recover, from the supplier as agreed, by way of penalty clause above,

Or

[b] To purchase from elsewhere, after giving notice of 15 days to the supplier, on his Account and his risk

Or

[c] To cancel the contract.

Or

[d] GPERI at any time terminate the contract by giving written notice to the qualified.

Bidders/Tenderer without compensation to the qualified tenderer, if he become bankrupt or otherwise, insolvent or in case of dissolution of firm or winding up of company provided that such termination will not prejudice or effect any right of action or remedy which has thereafter to the GPERI.

In the event of the risk purchase of stores of similar description, the opinion of GPERI shall be final. In the event of action taken under clause (a) or (b) above, the supplier shall be liable to pay for any loss which GPERI may sustain on this account.

Further, "GPERI" reserves the right to terminate the Contract (i.e. Purchase order) at any time, without assigning any reasons, whatsoever, by giving a notice or not less than period of ONE

month. Suppliers will not be entitled for any compensations / damages / losses, refund by PG whatsoever, on account of such termination of the Contract.”

50. ARBITRATION:

All questions, disputes or differences whatsoever which may at any time arise between the parties to this agreement touching the agreement or subject matter thereof, arising out of or in relation to there and whether as to construction or otherwise shall be referred to the decision of the Sole Arbitrator, appointed by the GPERI, for that purpose, who shall be a retired High Court Judge or retired District and Sessions Judge, and the decision of the said Arbitrator shall be final and binding upon the parties. Reference to the arbitration shall be governed by the provisions of Indian Arbitration & Conciliation Act. 1996 as amended from time to time and the rules made there under.

51. JURISDICTION:

All questions, disputes or differences arising under, out of or in connection with the Tender / Contract shall be subject to the exclusive jurisdiction of Mehasana court.

52. If the tenderer is an Agent, he will have to give information and declare the name of the principal from which he will source the materials along with company's written confirmation about quality and backup performance guarantee. Only on getting complete information from Agent, such offer, if found suitable, shall be considered.

53. GPERI reserves the right to cancel any or all the offers / bids or to accept any offer without assigning any reasons.

In case GPERI finds that there is an attempt of cartel in the prices, GPERI reserves the right to consider or reject any or all the parties offers without assigning any reasons thereof.

54. GPERI reserves the right to increase or decrease the quantity against each item/s while placing the order.

55. The names of the Partners / Directors / Sole Proprietors and responsible person and his updated Address / Telephone, Fax Numbers etc. should be invariably mentioned in the Annexure provided for this purpose in this document.

56. The tenderer must give in his offer, the full name and address with phone, Fax & mobile numbers of the Authorized Representative to do liaison work with GPERI on their behalf.

57. The tenderer should invariably write the name and address of the Company, both on sealed covers of EMD, Technical & Price Bids. The tender covers without the name and address will not be opened.

58. GPERI reserves all the rights to cancel any or all the offers / bids or to accept any offer without assigning any reasons at any stage of tendering process.

59. The tenderer are required to furnish the technical information and the guaranteed technical particulars (GTP) along with company seal and signature of the tenderer on each and every page / papers of the tender documents.
60. Tenderer should invariably fill up all the details of all the Annexure/s including the prices in the Price Bid Annexure of this tender document and should be duly signed by authorized signatories with their rubber stamp and along with Company's seal / stamp affixed on each paper.
61. If the tenderer fails to pay the Security Deposit or defaults in execution of the orders placed or if GPERI suffers any financial loss due to this, then GPERI will be at liberty to adjust the amount from other orders of the same firm or by encashing the Bank Guarantee.
62. The successful Tenderer should provide appropriate tools and equipments to the workmen and ensure that those are in proper working condition and the workmen use the appropriate tools and take precaution "Please note that any accident to the work men/ public/ animals/ property both movable and immovable shall be entire and sole responsibility of the successful Tenderer and any proceeding arising out of the same shall be at the successful Tenderer's risk and cost.
63. The successful tenderer has to provide the technical details such as a foundation, floor space required for equipment etc.
64. The Tender shall be submitted in English language only. The tender notice and tender document shall form a part of the contract agreement
64. Issue and/or submission of tender document does not mean that the Tenderer has qualified for award of work
66. The Tenderer shall bear all the costs associated with the preparation and submission of his offer, and GPERI will in no case be responsible or liable for those costs, under any conditions.
67. GPERI reserves the right to postpone date of opening date TECHNICAL BID and/or PRICE BID.
68. GPERI reserves the right to reject/ accept any/ all Tenders without assigning any reason thereof. Opening of PRICE BID does not mean that the Tenderer is eligible for the award of the contract.

The material used for the work shall be new and of the best available quality & technology. The work should be carried out with best workmanship. The material used and works carried out shall be as per IS/ IEC wherever applicable.

69. The Tenderer shall provide the necessary training to the identified representatives, assigned and approved by GPERI, for the proper daily operation and maintenance of the installed system.

70. The material used for the work shall be new and of the best available quality & technology. The work should be carried out with best workmanship. The material used and works carried out shall be as per IS/ IEC wherever applicable.
71. The Tenderer shall submit detailed drawing of mounting structures and provide detailed specifications including size and materials to be used for mounting structures.
72. Once the Tenderer has submitted his offer and subsequently if it is not interested to work, in such cases GPERI will forfeit the EMD amount.
73. GPERI reserves the right to select L2 Tenderer i.e. the second lowest Tenderer to complete the work, if L1 i.e. the lowest Tenderer fails to fulfill tender conditions or fails to complete the work.
74. It should be noted that GPERI has right to terminate the work order, if the selected Tenderer fails to complete the work within given time & conditions.
75. The Tenderer should provide necessary manufacture's test certificates for materials being used for the work. The Tenderer should provide facilities and bear the cost for the same.
76. The vendor must furnish copies of original documents defining the constitution on legal status, place of registration and principal place of business of the company or firm or partnership etc.
77. A copy of company incorporation / registration certificate of the firm shall be attached as proof.
78. It will be the responsibility of the successful Tenderer to ensure the satisfactory performance of the system.
79. The Tenderer shall submit detailed drawing of mounting structures and provide detailed specifications including size and materials to be used for mounting structures as per the format for technical specifications.
80. Representatives from GPERI at their discretion may visit Tenderer's factory for testing/ inspection of the material to be utilized for work. This will be at your cost to arrange travelling, lodging and boarding of three GPERI representatives.
81. The project manager/ Site-in-charge or his authorized representative shall have the right to carry out inward inspection of the items on delivery at site and if the items have been found to be not in line with the approved specifications, he shall have the liberty to reject the same.
82. The Tenderer shall be deemed to have carefully examined the works and site conditions, the general and the special conditions, specifications, schedules and drawings and shall be deemed

to have visited the sites of the work and to have fully informed himself regarding local conditions and carried out his own investigations to arrive at rates quoted in the tender. In this regard, Tenderer shall get his doubts cleared well in time and no extra time/ extension shall be given for clarification of doubts.

- 83. Vendor shall provide details of rated electrical load of equipment, electrical connection and floor space required for each equipment.
- 84. Vendor must provide list of at least one vendor, where same type of equipments are supplied and installed. Also provide the work order copy and certificate of installation from the vendor.
